

YOUR SCHOOL COULD WIN \$500!

The National Center on Health, Physical Activity and Disability along with the Alabama Department of Public Health, is hosting a 504 contest from March 10th-May 11th with three different ways to win! Whether you are an expert with 504 or could use some inclusion help, this contest is for you! So keep reading!

How would you like to win \$500 for your schools physical education or after school sports program? Tell us how your school promotes inclusion in being active or healthy! All you have to do is show us how you are doing it right and why you deserve to win. Send us a non-professional video, no longer than 4 minutes, on how you are being inclusive.

Need some help when it comes to 504, inclusion and physical activity at your school? Then we have a contest for you, too! If you know your school needs to be more inclusive but you just aren't quite sure how, then your school could win a free inclusion training. Submit a video showing us why you should win the training. We will come to the top three schools chosen and provide a training at no cost to you.

Interested in some SWAG for your class room? Show one of our 504 videos at your school then Tweet or Instagram photo proof to @NCHPAD using the #letmeplay. We will select one video a week for the duration of the contest to win giveaway items.
