Annual Business and Awards Meeting
6:30-7:30

APHA/AUCD Reception*
7:30-8:30

Sunday, November 7, 2004
Washington, DC Convention Center
Room 103A

Scientific Program Attached

*Jointly sponsored by the APHA DisAbility Forum and the Association of University Centers on Disabilities
Enjoy the Conference,

Visit the DisAbility Booth in the Exhibit Hall and

Take Note of the Following Special Events:

**Saturday (11/6):**
— Continuing Education Institute on Disability and the Environment (9-12:30)

**Sunday (11/7):**
— Business and Awards Meeting (6:30-7:30 PM)
— Reception jointly sponsored by the DisAbility Forum and the Association of University Centers on Disabilities (7:30-8:30 PM)

**Monday (11/8):**
— Fun Run/Walk/Roll – join this event at the AUCD meeting at the Bethesda Hyatt (starts at 7:30 AM—register on Sunday at AUCD--$15 registration fee supports the Anne Rudigier Student Research Award)
— Disabilities and the Environment – Special Panel (2:30-4:00 PM)

**Tuesday (11/9):**
— Disability Resource Fair– Poster Exhibits (12:30-2:00 PM)
— Work of the Association of University Centers on Disability – Special Panel–Policy, Research and Practice: The Example of Medicaid (2:30- 4:00 PM)

**Wednesday (11/20):**
— Student Research in Disabilities (8:30-10:00AM)
SATURDAY, November 6, 2004

9:00-12:30 PM  APHA Continuing Education Institute—DisAbility and the Environment

Introduction
Chris Kochtitzky

Conceptualizing Enabling and Disabling Environments
Laurie Ringaert, David Gray, Susan Kinne

Population-Based Data
Barbara Altman

Individual Measurements
Jim Rimmer, CA Brooks, Gale Whiteneck, Rune Simeonsson

Concluding Remarks
Chris Kochtitzky

SUNDAY, November 7, 2004

8:00 – 9:00 AM  DisAbility SPIG Executive Committee Meeting
Don Lollar, EdD, Chair
Gloria Krahn, PhD, MPH and Jim Rimmer, PhD, Planner
WCC – Room 103A

9:00 – 12:00 PM  Disabilities Studies Meeting—Disability and Public Health Curricula
Disability Forum
Don Lollar, EdD, Chair
Deb Allen, DrPH
Charles Drum, JD, PhD
Gloria Krahn, PhD, MPH
WCC – Room 103A

1:30 – 4:00 PM  Disability SPIG Chairs Forum—State of the Environment in Disability and Public Health: Science, Policy, Education
Don Lollar, EdD, Chair
Tom Seekins, Ph.D. & Susan Kinne, Ph.D., Science
Corinne Kircher, Ph.D. & Elena Andresen, Ph.D., Education
John Crews, D.P.A. & Dot Nary, Ph.D., Policy
WCC – Room 103A

6:30 – 8:30 PM  DisAbility Forum Annual Business Meeting and Awards
APHA/AUCD Reception

6:30-7:30  Business Meeting and Awards

7:30-8:30  APHA/AUCD Reception
WCC – Room 103A
MONDAY, November 8, 2004

8:30 – 10:00 AM  Disability Measurement, Classification, and ICF
D. Lollar, EdD, Moderator
WCC – Room 103A

- Using the ICF taxonomy to describe infants and toddlers in early intervention.
  KM Hebbeler, PhD; RJ Simeonsson, PhD; AA Scarborough, PhD
- ICF for children and youth: Field trial findings.
  RJ Simeonsson, PhD; D Lollar, EdD
- Environment and risk behaviors for varying categories of disability in NELS:88.
  D Hollar, PhD
- Assessment of a multi-level method for identifying disabling conditions using Medicaid claims.
  FH Hooven, MMHS; J Zhang, MPH; AD Henry, ScD, OTR/L; J Himmelstein, MD, MPH
- Living standards of persons with disabilities in the developing world: An exploratory study using World Bank national data.
  GT Fujiura, PhD; V Rutkowski-Kmita, MPH; H Park, MS

10:30 – 12:00 PM  Disability Surveillance
C. E. Drum, JD, PhD, Moderator
WCC – Room 103A

- Needs of people with disabilities in California: Results of a statewide study.
  S Stoddard, PhD; J Ripple; LH Jans, PhD
- Comparing persons identified by Census and BRFS disability definitions.
  S Kinne, PhD
- Predictive models of health status: The BRFSS Health Behaviors and Outcomes study.
  W Horner-Johnson, PhD; GL Krahn, PhD, MPH; CE Drum, JD, PhD
  MA Traci, PhD; D Bainbridge, PT, EdD, ATC; T Seekins, PhD; S Seninger, PhD
- Fluctuating disability rates among working-age adults: Economic versus epidemiologic factors.
  HS Kaye, PhD

12:30 – 2:00 PM  Disability and Health Promotion
J. Rimmer, PhD, Moderator
WCC – Room 103A

- People with paralysis who maintain high support from others: What works?
  PG Devereux, PhD; CC Bullock, PhD; J Bargmann; M Kyriakou
- Effects of adverse health behaviors in adults with disabilities.
  GC Jones, PhD
- Testing health promotion materials and supports in nutrition for community dwelling adults with intellectual disabilities.
  K Humphries, PhD; MA Traci, PhD; T Seekins, PhD
- Body weight status and weight management practices among adults with developmental disabilities in Illinois.
  K Yamaki, PhD; JH Rimmer, PhD; GT Fujiura, PhD; T Heller, PhD; J Kramer
- Prevalence of Obesity Among Adults with Specific Disabilities.
  JH Rimmer, PhD; E Wang, PhD
Monday November 8 (continued)

2:30 – 4:00 PM  Disabilities and the Environment – Special Panel
G. Whiteneck, PhD, Moderator
WCC – Room 103A

- Changing conceptualizations of theoretical models and measurement systems
  D Gray, PhD; G. Whiteneck, PhD
- Community Applications
  S. Kinne, PhD; CE Drum, JD, PhD
- Dialogue on the future of research in the field

4:30 – 6:00 PM  Children and Adolescents with Disabilities
P. Welch Saleeby, MSSA, Moderator
WCC – Room 103A

- Neonatal experience and risk and resilience characteristics among children receiving early intervention services.
  AA Scarborough, PhD; RJ Simeonsson, PhD; KM Hebbeler, PhD; D Spiker, PhD; S Mallik, PhD
- Psychotropic Drug Use in Children, Ages 5-17: Trends in National Prevalence of Use and Examination of Contribution of Parent Reported School or Home Behaviors to Enrollment in Special Education.
  JL Valluzzi, MBA, OTR/L; SL Larson, PhD; GE Miller, PhD
- Obesity and quality of life among youth with disabilities in Washington State.
  DL Patrick, PhD, MSPH; T Topolski, PhD; DL Doyle, MS, CGC
- Disability status and select health risk behaviors among youth in New Mexico and North Carolina: A comparative analysis of the Youth Risk Behavior Survey (YRBS) in two states.
  HG Fredine, MPH; Z Gizlice
- Promoting health & wellness for teens with disabilities: An intervention for health care providers.
  GL Krahn, PhD, MPH; LA Hammond, MPH; NL Farrell, MA

TUESDAY, November 9, 2004

8:30 – 10:00 AM  Health Care Access
T. Kroll, PhD, Moderator
WCC – Room 103A

- Impact of demographic and labor force participation changes on health care utilization.
  TJ Johnson, PhD; WG Johnson, PhD; AM Bartels, MPH
- Dynamics of change and inertia in the US disability field: Olmstead and beyond.
  M Kitchener, PhD, MBA; M Willmott, MA; C Harrington, PhD
- Breast cancer screening among women with disabilities.
  GC King, MPH; R Trent, PhD
- Medicaid Expenditures for working and non-working consumers who use Personal Assistance Services (PAS): The Massachusetts Experience.
  L Hashemi, MS; FH Hooven, MMHS; RE Glazier, PhD; J Himmelstein, MD, MPH
- Cancer incidence and detection for people with disabilities.
  DF Austin, MD, MPH (presenter G Krahn)
Tuesday November 9 (continued)

12:30 – 2:00 PM **Community Environments – Policy and Measurement**
C. Brooks, MSHA, Moderator
WCC – Room 103A

- Community engagement initiative: Examining the role of environmental context in disablement.  
  CE Drum, JD, PhD; B Ritacco, MA; W Horner-Johnson, PhD; R Wasti, BS
- Improving access to healthy food: Mapping urban food deserts.
  S Kinne, PhD
- Medicaid personal care services for the disabled during the fiscal crisis.
  M Kitchener, PhD, MBA; T Ng, MA; C Harrington, PhD
- Using national survey data to inform universal design: A case study.
  RH Pugh-Yi, PhD; L Ringaert, MS; B Tewey, MA; A Cobb, BA; C Mason, PhD; S Newman, MS
- Consumer-directed model: A training resource for effectively managing personal care services.
  YM Bradshaw, MAP; AD Hart, PhD; VR Nehus, MA; ME Swanson, MD, MPH

12:30 – 2:00 PM **Disability Resource Fair – Poster I**
R. Carlin, MS, JD, Moderator
WCC – Hall E

- Board 1 - Deaf Heart Health Intervention: Baseline Data.
  EG Jones, PhD, RN
- Board 2 - A first look at a community-based peer-mentor program to prevent secondary conditions in people with newly acquired spinal cord injury.
  T Kroll, PhD; S Gordon, PhD; S Towle
- Board 3 - Disability and employment: Findings from a survey of Massachusetts Medicaid enrollees with disabilities.
  AD Henry, ScD, OTR/L; FH Hooven, MMHS; L Hashemi, MS; J Himmelman, MD MPH
- Board 4 - Needs assessment of the Deaf and Hard of Hearing community for poison center services.
  M Klotz; JG Benitez, MD, MPH; RA Lawrence, MD
- Board 5 - Using Community-Based Participatory Action Research (CBPAR) in promoting preventive service utilization for adults with physical disabilities.
  MT Neri, BA; T Kroll, PhD; GC Jones, PhD; M Goldstein; S Michael, BA
- Board 6 - Designing community-based strategies to improve primary prevention for people with physical disabilities in Virginia: Focus Group findings.
  T Kroll, PhD; M Neri, BA; GC Jones, PhD; M Goldstein, MA; S Michaels, BA
- Board 7 - Use of complementary alternative medicine among people with multiple sclerosis in the United States and Germany.
  T Kroll, PhD; J Klewer, MD PhD; J Kugler
- Board 8 - State health promotion and wellness initiatives for people with disabilities in sixteen CDC funded states.
  R Carlin, MS, JD
- Board 9 - Reducing health disparities: Educating individuals with disabilities from minority backgrounds to advocate for receiving health promotion and disease prevention services.
  K Froehlich-Grobe, PhD; X Ilabaca-Somoza, MD, MPH
- Board 10 - Promoting access to physical activity interventions for people with mobility limitations.
  SO Gray, BS; AG Cahill, PhD

12:30 – 2:00 PM **Disability Resource Fair – Poster II**
R. Carlin, MS, JD, Moderator
WCC – Hall E

- Board 1 - Quality of life in patients with multiple sclerosis living as single.
  J Klewer, MD PhD; D Pöhlau, MD PhD; J Kugler, MD, PhD
- Board 2 - Reifying Capability Theory for research in disability and rehabilitation.
  M Sharma, PhD; S Deepak, MD
Tuesday November 9 (continued)

- Board 3 - Title III of the Americans with Disabilities Act: Preparing occupational therapy advocates.
  
  HD Plotnick, MA, OTR/L; J Kennedy, MS, OTR/L; K McFeely, MS, OTR/L; TE Avi-Itzhak, DSc

  
  JW Jutai, PhD, CPsych; JA Bortolussi, MSW

- Board 5 - Images of disability in film and literature: Tools for social awareness.
  
  KM Kniepmann

- Board 6 - Building the bridge: The One Stop Center project for people with developmental disabilities and their families.
  
  A Alonso, PsyD, MSW; N Pérez, MPHE; MH Rodriguez, PhD, MPH; CM Vélez, MSW

- Board 7 - ABLEDATA: The national assistive technology information resource.
  
  SW Lowe

- Board 8 - Emerging uses of personal data assistants (PDA) to improve the environment for persons with intellectual disabilities (ID): Perspectives of the researcher, service staff and consumer.
  
  D Bainbridge, PT, EdD, ATC; MA Traci, PhD

- Board 9 - Bridging perspectives of mental health and disability.
  
  LH Jans, PhD; S Stoddard, PhD; L Kraus, MPH, MCP

- Board 10 - A Model for Accessibility.
  
  M Guinan, MPH; M Harcourt, MA

12:30 – 2:00 PM Disability Resource Fair – Poster III

- Board 1 - Disaster planning and preparation for people with mobility impairments.
  
  JL Rowland, MPH, MS, PT; GW White, PhD; MH Fox, ScD; C Rooney, MA; JH Lim; S Aldana, MPH

- Board 2 - Tobacco use among middle and high school students with chronic conditions in Massachusetts.
  
  M Mitra, PhD; S Pochan, MPH; N Wilber, EdD

- Board 3 - Barriers to and enablers of people with disabilities’ informed participation in health care: Evidence from SSI enrollees in TennCare.
  
  SC Hill, PhD; J Wooldridge, MA

- Board 4 - Effectiveness of Iowa’s Healthy and Ready to Work program for adolescents with special healthcare needs.
  
  KLN Mercer, MPH, CHES; DKV Lubker, BA; A Wallis, PhD; JG Lobas, MD

- Board 5 - Predictors of self-reported health status among people with and without disabilities in Massachusetts.
  
  M Mitra, PhD; KM Clements, ScD; N Wilber, EdD

- Board 6 - Impact of self-rated health on pain and physical function in a semi-rural clinic population with a low back pain diagnosis.
  
  T Tran; JM Mossey, PhD, MPH, MSN; RM Gallagher, MD, MPH

- Board 7 - Development of a Health Assessment Instrument for Adults with Mental Retardation.
  
  NL Klimon, MS, ABD

- Board 8 - Cancer awareness and health promotion for persons with disabilities: A strategic partnership to develop the Relay for Life event using the university service-learning resource model.
  
  PJ Kelzer, DrPH

- Board 9 - Screen for Life! A multifaceted intervention to improve screening for breast and cervical cancer among women with physical disabilities.
  
  GC King, MPH; R Trent, PhD; RE Hoban, RN, MPH

- Board 10 - Access to Care for People with disabilities and co-existing substance abuse issues in rural areas: Conceptualizing Facilitators and Barriers to Care and Service Delivery.
  
  ET Jurkowski, PhD
Tuesday November 9 (continued)

2:30 – 4:00 PM  Work of the Association of University Centers on Disability – Special Panel Policy, Research and Practice: The Example of Medicaid
GL Krahn, PhD, MPH, Organizer
WCC – Room 103A

- AUCD as a resource for policy, research and practice in Medicaid.
  - George Jesien, PhD
  - Kim Musheno, MS
  - Margaret Nygren, EdD
- State examples of implementation
  - Wisconsin--Daniel Bier, MS, MPA, CAE
  - Iowa--Robert Bacon, MA
  - New Hampshire--Jan Nisbet, PhD
- Dialogue and Q & A
  - Gloria Krahn, Moderator

4:30 – 6:00 PM  Emerging Issues in Disabilities
DE Nary, MA, Moderator
WCC – Room 103A

- Spiritual coping: Differences between Caucasians and African Americans with spinal cord injuries.
  - LE Broderick, MPH; JS Krause, PhD
- Early intervention for disability benefit applicants: Lessons from designing and implementing a pilot project.
  - T Honeycutt, MA; D Brucker, MPA
- Socio-economic rehabilitation for people with disabilities in post-conflict and developing countries: Lessons learned from the World Rehabilitation Fund.
  - A Brown, MSW, MPH; H Burns Knierim, MSW
- Personal assistance services in the workplace: Voices from the field.
  - L Kraus, MPH, MCP; S Stoddard, PhD
- Disability and obesity: The chicken or egg problem.
  - BM Altman, PhD; LJ Cornelius, PhD; JA Rhoades, PhD

WEDNESDAY, November 10, 2004

8:30 – 10:00 AM  Student Research in Disabilities
G. W. White, PhD, Moderator
WCC – Room 103A

- Application of geographic information systems (GIS) in community environmental assessment for people with disabilities.
  - R Wasfi, BS; CE Drum, JD, PhD; B Ritacco, MA; W Horner-Johnson, PhD
- Influences on Early Intervention enrollment: A multilevel framework.
  - JC Fromewick, MS
- Satisfactions and barriers in healthcare experienced by patients who are deaf or hard of hearing.
  - LN Algier
- Examining relationships between disability and poverty.
  - PW Saleeby, MSSA
- Analyzing fourteen years of Chronic Fatigue Syndrome (CFS) newspaper coverage: Is the physical basis of CFS becoming more accepted?
  - M Moser, MA
Wednesday November 10 (continued)

12:30 – 2:00 PM  Issues for People who are Deaf or Hard of Hearing
D. Keer, MA, Moderator
WCC – Room 103A

- Communication barriers and their impact on the health care experiences, health status, knowledge and behaviors of Deaf persons: Key findings from a comprehensive health survey.
  H Margellos, MPH; T Hedding, MA; G Kaufman, MD; T Perlman, PhD; L Miller, MEd; R Rodgers, MSW
- HIV knowledge in a Deaf sample: Preliminary results of a self-administered survey in American Sign Language.
  MF Goldstein, PhD; EA Eckhardt, CSW; P Joyner, MSW
- Deaf women's satisfaction with prenatal care: Improving doctor/patient communication.
  A O’Hearn, PhD
- Addressing the tobacco prevention and control needs of Deaf/HH youth.
  BA Berman, PhD; DS Guthmann, EdD; HB Kleiger, BS; GC Wong, MPH; EA Eckhardt, CSW; L Maucere, BS; CA Bernaards, PhD
  A Steinberg, MD; Y Li, PhD; L Bain, MA

2:30 – 4:00 PM  Disability Potpourri
J. M. Thierry, MSW, MS, Moderator
WCC – Room 103A

- Effectiveness of low vision rehabilitation programs.
  J Stelmack, OD
- Quality of the last years of life with spinal cord injury.
  G Whiteneck, PhD
- Maintenance of healthy affect and avoidance of depression after spinal cord injury.
  JS Krause, PhD; LE Broderick, MPH; JL Coker, MPH
- Integrating disability within curriculum content for public health and allied health professionals' academic preparation.
  ET Jurkowski, PhD
- Availability of Census 2000 disability statistics.
  AJ Houtenville, PhD; WA Erickson, MS

Hope you had a great conference!

Safe Travels Back Home
