

PLEASE JOIN US FOR A PRECONFERENCE WORKSHOP AT THE
2018 AMERICAN PUBLIC HEALTH CONFERENCE ON

EXAMINING HEALTH EQUITY USING THE INTERNATIONAL CLASSIFICATION OF FUNCTIONING, DISABILITY AND HEALTH THROUGHOUT THE LIFESPAN

10 AM—3 PM

SATURDAY, NOVEMBER 10TH, 2018

BALLROOM 6C, SAN DIEGO CONVENTION CENTER

This interactive workshop by an international team of experts will provide training on the World Health Organization's International Classification of Functioning, Disability and Health (ICF), a uniform, internationally recognized framework that takes a holistic approach to understanding health disparities across the lifespan. Attendees will:

- Learn about the standard classification system focused on functioning, disability and health;
- Understand the public health relevance of the ICF across multiple health conditions; and
- Understand how it can be used for examining health equity and disability

Speakers:

◆ Els Nieuwenhuijsen, Ph.D., MPH, OTR (Retired) ◆ Don Lollar, Ed.D.
◆ Erica Twardzik, MS, Ph.D. Candidate ◆ Marijke W. de Kleijn – de Vrankrijker, Ph.D.

Moderated by Philippa Clarke, Ph.D.

\$50 per person (includes lunch); free registration for the first 15 students.

Registration Deadline: October 10th, 2018
