

FLU FIGHTER

SOCIAL MEDIA TOOLKIT

Facebook

Getting a flu shot is the most important action a person with disabilities can take to prevent flu and its complications. Want to be a flu fighter? Take the pledge and #SleeveUp for flu shots! Find your local vaccine here: <https://vaccinefinder.org/>

Are you at a higher risk for developing flu-related complications that could require hospitalization? #SleeveUp and be a flu fighter by getting your seasonal flu shot. Find your local vaccine here: <https://vaccinefinder.org/>

While flu vaccination is always important, this season getting vaccinated is even more important for people who are at higher risk of being exposed to, or developing serious flu and COVID-19 complications, or who are caregivers of people who are at higher risk from these two diseases. What can you do? Take the pledge to be a flu fighter and #SleeveUp! <https://vaccinefinder.org/>
